CLEARING ACTIVITIES KAG SAFETY INSPECTIONS SANG MORE POWER ILOILO, NAGAPADAYON

Brown out pa gihapon sa inyo?

Ginapahibalo sang MORE Power Iloilo nga nagapadayon ang ila ginapatigayon nga line clearing activities kag safety inspections antes liwat nga ibalik ang power supply.

Ini kasunod sa paglabay sang buhawi sa pila ka bahin sang Iloilo City nga nagresulta sa pagkatumba sang mga poste sang kuryente.

Ginpasiguro sang MORE Power nga ginatinguhaan sang ila team nga mapadasig ang pag-restore sang power sa mga apektado nga areas.

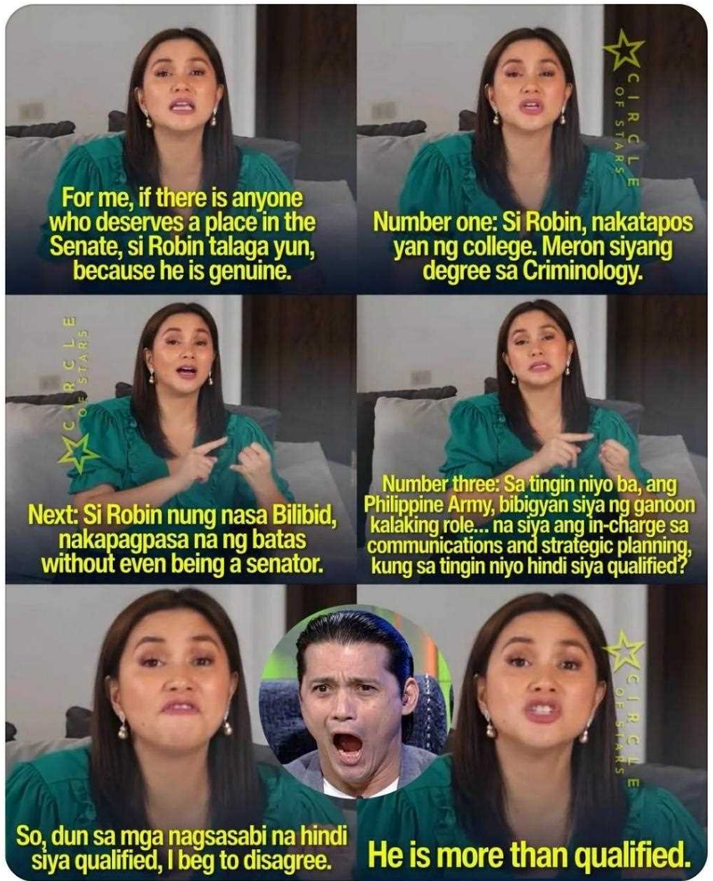
Gigil ako sa magkabagay na dumb and dumber🤪😂😜



For me, if there is anyone who deserves a place in the Senate, si Robin talaga yun, because he is genuine.
Number one: Si Robin, nakatapos yan ng college. Meron siyang degree sa Criminology.
Next: Si Robin nung nasa Bilibid, nakapagpasa na ng batas without even being a senator.
Number three: Sa tingin niyo ba, ang Philippine Army, bibigyan siya ng ganoon kalaking role... na siya ang in-charge sa communications and strategic planning, kung sa tingin niyo hindi siya qualified?
So, dun sa mga nagsasabi na hindi siya qualified, I beg to disagree.
He is more than qualified.

PANGARAP NI PASTOR A C Q: NATIONAL SUPERHIGHWAY AT BULLET TRAIN MULA BENGUET HANGGANG JOLO

Ayon kay Pastor A C Q, posible at maisasakatuparan ang National Superhighway with High-Speed Bullet Train mula Benguet hanggang Jolo sa loob ng 2 hanggang 6 na taon, kung magagamit nang maayos ang pondo ng bayan.

Ayon pa sa kanya, ang pondong nawala dahil sa katiwalian ay sapat sana upang maisakatuparan ang ganitong uri ng pambansang imprastraktura. Isang vision para sa mas mabilis, mas konektado, at mas maunlad na Pilipinas.

basta JCD PH, hindi lang krazy malala, bastos pa

Alam mo sa totoo lang, masyadong bastos itong JCD PH na ito, imbes na makiramay sa pamilya ng pulis na namatay para sa kanyang tungkulin sa Cadiz, aba ginagawa pang pabiro mga salita niya sa mga nagtatrabaho ng marangal.

sarcastic pero parang hindi maganda ang biro sa mga taong naglingkod para sa bayan.

nakiramay po sa pamilya ng pulis pero kay JCD PH, tanginamo, HINDI KA MARUNONG RUMESPETO.

Mr. Aniplus always remember:
"kung nagsalita ka ng hindi maganda sa kapwa mo, babalik sa iyo"

Guys ingat lang sa pagbili ng Nokia Phones lalo na 3310 model, may fake na lumabas pero may mga seller na nagsasabing original at marami na nabenta, nag delete ng post at namblock pa. Maging mapanuri para di sayang pera ✌️

Sa Shopee may mga seller ng clone na nasa 1,300 tapos ibebenta nung Gandara Collections nasa 3,500 o higit pa. Ingat at baka mabiktima ka

PRIMER: KAPAG UMULAN AT BUMAHA, SINO BA TALAGA ANG MAY TR... See more

KAPAG UMULAN AT BUMAHA, SINO BA TALAGA ANG MAY TRABAHO?
Isang simpleng primer sa papel ng governor, vice governor, mayor at vice mayor sa usapin ng sakuna
Batayan: RA 10121 at Local Government Code
1 GOVERNOR
Pinuno ng probinsiya at chair ng Provincial DRRM Council.
Trabaho niya ang provincial coordination, planning, augmentation at pagtiyak na handa ang provincial disaster system.
Hindi ibig sabihin na siya ang sasakay sa bawat rescue boat, pero siya ang dapat tiyaking gumagana ang sistema.
2 VICE GOVERNOR
Presiding officer ng Sangguniang Panlalawigan.
Papel niya ay nasa batas, budget, ordinansa at policy support.
Hindi automatic na siya ang rescue commander.
Pero puwede siyang managot sa usaping budget at legislative action.
3 MAYOR
CITY HALL
Frontline local executive at chair ng City/Municipal DRRM Council.
Siya ang dapat manguna sa warning, evacuation, rescue readiness, relief coordination at local preparedness.
Sa madaling sabi: hindi lang sa rescue nagsisimula ang trabaho ng mayor. Dapat bago pa bumaha, may plano na.
4 VICE MAYOR
Presiding officer ng Sangguniang Bayan o Panlungsod.
May malaking papel sa ordinansa, appropriations at policy support.
Hindi automatic na second-in-command ng rescue operations.
Pero mahalaga siya sa pag-apruba ng budget at local rules.
5 MAY PERA BA PARA SA SAKUNA?
Oo.
Hindi bababa sa 5% ng regular income ng LGU ay dapat ilaan sa LDRRMF.
At 30% nito ay Quick Response Fund o QRF.
Kaya valid ang tanong:
Saan napunta ang pondo?
May rescue equipment ba?
May warning system ba?
May evacuation plan ba?
6 SINO ANG DAPAT TANUNGIN?
Hindi sapat ang linyang 'malakas kasi ang ulan.'
Mas tamang tanong ay:
Sino ang may jurisdiction?
Sino ang nagplano?
Sino ang nag-budget at nag-apruba?
Sino ang nagpatupad at nag-maintain?
Sino ang dapat nag-warning at nag-evacuate?
Nasaan ang pondo at kagamitan?
BOTTOM LINE:
Ang raincoat at relief goods ay mahalaga.
Pero ang tunay na sukatan ng good governance ay kung ano ang ginawa ng gobyerno bago pa bumagsak ang unang patak ng ulan.
Alamin ang iyong karapatan.
Magtanong. Tumindig. Makilahok.

Idinaan sa panawagan ng residenteng si Vice Urmeneta ang kanilang sinapit matapos malubog sa baha ang kanilang lugar sa Bgy. San Isidro, Parañaque City, Sabado ng gabi, Agosto 8.

Sa bilis ng pagtaas ng tubig, nagbayanihan na ang mga residente para i-rescue ang iba nilang kabarangay.

Nakakatuwa ang raincoat. Ang hindi nakakatuwa, kapag ang serbisyo publiko ay bina-brand na parang personal na regalo ng politiko.

Kung pondo ng gobyerno ang pinambili, hindi "raincoats from Mayor Edwin" 'yan. Raincoats 'yan mula sa pera ng taumbayan, ipinamahagi lang ng opisyal na binabayaran din ng taumbayan.

Hindi dapat tinuturuan ang mga bata na magpasalamat sa politiko para sa serbisyong karapatan naman nila. Public service is a duty, not a gift bag with a politician's name attached.

SANGGOL, INILAGAY SA BATYA PARA HINDI ABUTIN NG BAHA

Inilagay na lamang ni Rizalyn Muñoz sa batya ang apat na buwang gulang na lalaking anak sa kanilang paglikas matapos abutin ng baha ang kanilang bahay sa Bgy. San Isidro, Parañaque City, Sabado ng gabi, Agosto 8.

Nilagyan na lamang niya ng takip na kumot ang anak para hindi aniya mabasa ng ulan.

Nananatili sila ngayon sa evacuation center kasama ang nasa 30 pamilya. | via Jessie Cruzat, ABS-CBN News #FloodPatrol

You board a bus expecting traffic and a sleepy commute. Instead, the television starts playing a movie that has barely arrived in cinemas.

That was the amusing—and troubling—scene in a Facebook post showing "Spider-Man: Brand New Day" apparently playing inside a bus.

"'SPIDERMAN: BRAND NEW DAY' Now showing in selected bus nationwide," the page "I'm just fine again today" joked.

But beyond the laughs, the post highlights how casually film piracy can be treated in the Philippines. If the copy shown was unauthorized, a newly released movie had made its way into a public vehicle for passengers to watch.

'NO NEED NA CINEHAN'

Netizens naturally turned the sight into comedy.

"No need na cinehan," one commented.

"Yung papunta ka sanang cinehan para manood ng spider-man hahahaha," another wrote.

One joked about refusing to get off until the movie ended, while another said: "Sa ayala lang

Aug 09, 2026 17:16:42

facebook

One joked about refusing to get off until the movie ended, while another said: "Sa ayala lang sana ako bababa umabot pa ako ng monumento tuloy."

The humor, however, points to a bigger problem. A YouGov survey previously cited by the Intellectual Property Office of the Philippines and the Film Development Council found that 49% of Filipino respondents had accessed piracy streaming or torrent sites in the 12 months preceding October 2020.

PIRACY CAN MEAN JAIL TIME

Under Republic Act No. 10088, or the Anti-Camcording Act, unauthorized recording of movies inside cinemas can carry imprisonment of six months and one day to six years and one day and fines of ₱50,000 to ₱750,000.

Copyright infringement is also punishable under Republic Act No. 8293, with penalties that increase for repeat offenders.

The bus post is hilarious at first glance. But when a newly released movie playing from an apparently unauthorized source in public barely shocks anyone, it shows just how normalized piracy has become.

A GREAT CITY DOESN'T MAKE PEOPLE CLIMB TO CROSS

This vision for Davao shows how replacing footbridge-dependent crossings with shaded at-grade pedestrian crossings, protected bike lanes, and tree-lined streets can create a safer, more accessible, and more dignified environment where pedestrians, cyclists, and motorists share the road more comfortably while enhancing the city's beauty, walkability, and overall quality of life.

🔥 RHENZ ABANDO FIRES BACK AT COACH TIM CONE! 🇵🇭

“HINDI AKO SUMIPOT? HINDI ’YUN TOTOO. SILA ANG HINDI NAGPASIPOT SA’KIN.”

Rhenz Abando has addressed Coach Tim Cone’s claim that he failed to show up when invited to join Gilas Pilipinas.

According to Abando, hindi siya ang umatras. Sinabi niyang hindi siya pinapunta dahil patapos na ang PBA Finals at nagkaroon umano ng issue sa timing ng visa.

“Hindi ako pinasipot. Kung sinabi nila na pwede na akong mag-ensayo, pupunta agad ako.” — Rhenz Abando

Rest in peace, Bernie Mac. 🕊️

A beloved comedian and actor whose unmistakable voice, infectious humor, and larger-than-life personality touched audiences around the world, Bernie Mac left an unforgettable mark on comedy and entertainment. He was best known for his iconic roles in The Bernie Mac Show, Ocean's Eleven, Mr. 3000, Bad Santa, and Friday, while becoming one of the most memorable comedians of his generation.

With his fearless comedy, unforgettable delivery, and natural charisma, Bernie Mac had a unique ability to make millions of people laugh while bringing his own unforgettable energy to every performance.

The world lost a remarkable talent far too soon. Bernie Mac passed away on August 9, 2008, at the age of 50, from complications related to pneumonia. Though his life was tragically cut short, his comedy, performances, and legacy continue to live on through generations of fans.

Thank you for the laughter, the unforgettable moments, and the incredible legacy you left behind. 💙

Rest easy, Bernie. You will never be forgotten.

A tripod emerges from the water and capsizes the ferry, forcing Ray and his children to swim to shore while the tripods abduct several refugees. They then witness a US military counter-offensive against the tripods. To Ray's dismay, Robbie joins the futile fight out of hatred for the invaders, leaving Ray and Rachel to flee. The military forces are obliterated, with Robbie presumed dead along with them. Shortly afterward, the pair are
